

SUPPORTING THE MARITIME STRATEGY

"Your dedication to the tactical development, equipment procurement, and training of our Sailors and Marines resulted in the safe recovery of a ship [M/V Magellan Star], her valuable cargo and, most importantly, the lives of her crew."

Rear Admiral Earl L. Gay
Commander, Expeditionary Strike Group 3

ANTI-TERRORISM/SECURITY

EXPEDITIONARY WARFARE

CODE OF CONDUCT

Our mission is to develop and deliver anti-terrorism and Navy security force training to achieve war-fighting superiority.

Our Vision is to instill the requisite force protection mindset – Navy wide – and to create the premier security force for the world's greatest naval power founded on a continuum of personal and professional growth.

Training that supports the Navy's Maritime Strategy

ABOUT US

The Center for Security Forces provides training and human performance solutions to meet fleet requirements for antiterrorism/ security force, expeditionary warfare and code of conduct mission areas.

We train Navy Sailors world wide and our reporting authority is the Naval Education and Training Command.

COURSES OFFERED

We offer over 35 specific formal courses of instruction at various learning sites around the world. The following list some of the courses offered:

- U.S. Navy Individual Augmentee
- Visit, Board, Search and Seizure
- Expeditionary Combat Skills
- Navy Riverine – Maritime Interdiction
- Survival, Evasion, Resistance and Escape
- Commanding Officer's Antiterrorism/Force Protection Training

ANTITERRORISM/SECURITY FORCE

Providing training that prepares naval security forces to meet the challenges of anti-terrorism force protection by providing the necessary tools, references, and resources – reinforced through practical "hands-on" training.

EXPEDITIONARY WARFARE

Providing combat training to support rapid deployable and agile expeditionary forces, made up of active duty and reserve mission specialists, to warfare commanders in support of maritime security operations around the globe.

CODE OF CONDUCT

Providing Level "C" Code of Conduct (CoC) training to select high risk of capture personnel imparting the necessary knowledge, skill sets and methods of survival for evading enemy capture, resisting exploitation, and escape from captivity.
