SYSCOMS

Security Cooperation

Those activities conducted with allies and friendly nations, in order to:

- Improve information exchange and intelligence sharing
- Build defense relationships that support U.S. security
- Provide U.S. forces with needed military access
- Develop military capabilities for self-defense and coalition operations (includes training)

These objectives are applicable to all Navy Systems Command programs with international military students.

Major Security Cooperation Education and Training Programs (SCETP):

- Foreign Military Sales (FMS)
- Foreign Military Financing (FMF)
- International Military Education and Training (IMET)
- Combating Terrorism Fellowship Program (CTFP)
- Counter Drug (CD)
- Counter Narcotics (CN)
- Public Law Section 1206

About NETSAFA

NETSAFA manages the Navy's international education and training programs. Over 7,000 military and civilian personnel from 150 nations attend education and training activities annually at various learning sites in the U.S., as well as courses conducted in the students' home nation.

NETSAFA Chain of Command

NETSAFA is Naval Education and Training Command's (NETC) Executive Agent for international training and is responsible for all DON Security Cooperation and Security Assistance international education and training programs.

NETSAFA serves as Navy International Program Office's (Navy IPO's) systems command for all international training program management and ensures that training is coordinated and included in all Navy Foreign Military Sales (FMS) activities

Supporting the SYSCOMS

- Function as case administering office (CAO) and case manager for all DON FMS training cases unless otherwise directed by Navy IPO
- Prepare and submit data required by Navy IPO for preparation of LOAs for all DON sponsored security cooperation training, to include supporting project management efforts for integration of training and material in major weapons systems sales and transfers conducted by the SYSCOMS
- Provide Price and Availability (P&A) data
- Develop training plans supporting U.S. Navy equipment sales in concert with Navy IPO and appropriate SYSCOM
- Ensure training plans are coordinated for disclosure prior to making commitments or programming training
- Ensure training is time-phased with equipment delivery schedules for total package approach
- Provide Security Assistance Network access and support to view IMS projection data
- Authorize issuance of Invitation Travel Orders
- Coordinate U.S. Navy SCETP sponsored orientation visits to CONUS
- Focal point for all obsolete curriculum, training aids and equipment
- Establish procedures for the execution of the U.S. Navy's SCETP

Supporting the IMSOs

The International Military Student Officer (IMSO) performs one of the most important jobs in the Security Cooperation Program. IMSOs provide administrative, logistical, medical, and personnel support for the International Military Students (IMS) at military installations.

NETSAFA supports IMSOs in several ways:

- Drafts, updates, and distributes the annual U.S. Navy IMSO Guide, which provides the policy and guidance necessary for the IMSOs
- Updates Navy Section of Joint Security Cooperation Education and Training Regulation (JSCET): SECNAVINST 4950
- Drafts and distributes IMSO Bulletins whenever IMSOs should be notified of important or time-critical information
- Interfaces with Navy IMSOs to assist in resolving IMS issues or questions
- Conducts Navy unique training to all Navy IMSOs at the Defense Institute for Security Assistance Management (DISAM)
- Provides annual training when hosting the DON IMSO Workshop
- Supports, funds, approves and administers the IMSOs' Field Studies Programs
